nice. Located right off Bourbon
street on I rebuke street also
right near canal street.

I've stayed there before it is nice

Hey. I think your best move
politically is to refuse the bonus.
This would haunt you forever
and could cost you votes. I
would support you getting it if
you want to. But I think you
better off refusing it and let it be
your idea that after thinking it
over you don't want to accept it.
Just my thoughts.

Thanks man! I agree!
