I, [REDACTED], in and for the State of Louisiana, the officer as defined in Rule 28 of the Federal Rules of Civil Procedure and/or Article 1434(B) of the Louisiana Code of Civil Procedure, before whom this proceeding was taken, do hereby state on the record:

That due to the interaction in the spontaneous discourse of this proceeding, dashes (--) have been used to indicate pauses, changes in thought, and/or talkovers; that same is the proper method for a Court Reporter's transcription of proceeding, and that the dashes (--) do not indicate that words or phrases have been left out of this transcript;

That any words and/or names which could not be verified through reference material have been denoted with the phrase "(spelled phonetically)."

1 TAPED STATEMENT OF JACKIE JUNCA:

2 BY MR. WASHINGTON:

3 Q Today's date is January 26, 8:05 a.m. My name  
4 is Trooper Mike Washington with the Louisiana  
5 State Police. We will be interviewing Ms.  
6 Jackie Junca. She's a Chitimacha tribal council  
7 member.

8 A Yes, sir.

9 Q And I have here Sergeant Preston Savoy. He will  
10 also be participating with the interview. Ms.  
11 Junca -- or can I call you Jackie or Ms. Junca?

12 A Sure. Yes.

13 Q We received a complaint from the gaming  
14 commission about some moneys. I think some  
15 bonus moneys that were paid to the chairman,  
16 O'Neil.

17 A Uh-huh (affirmative response).

18 Q And I think you guys may have received the  
19 resolution or made --

20 A Uh-huh (affirmative response).

21 Q You being an active council member. We  
22 interviewed several of -- well, a lot of people.  
23 Probably most of the tribe. Or at least at the  
24 tribal council.

25 A Right.

1 Q And some of the administrators over there.

2 A Uh-huh (affirmative response).

3 Q But your name came up as a person who I think  
4 may not have been in support of the bonus for  
5 O'Neil? And so, we just want to get your take  
6 on that in particular, you know. From the  
7 beginning, you know, when were you first made  
8 aware of it and that type of thing.

9 A It went to council, I want to say the last  
10 council meeting which was a couple of weeks ago.  
11 And we get a packet before it goes to council --  
12 before we have the meeting.

13 So reading through the packet, when I read  
14 through who was on the list, because we had  
15 already verbally approved, before Christmas, so  
16 the employees could get their bonuses right  
17 after Christmas.

18 So we did a verbal approval stating that it  
19 would go to council at the very next meeting.  
20 The verbal approval, we have a list then.  
21 Looked through the list and we were in agreement  
22 -- I was in agreement with everything that was  
23 on there.

24 And so when the paperwork came in for the  
25 council meeting, generally we get it ahead of

1 time. Like I said, so we can review it and make  
2 sure before we have to vote on it. So there's  
3 not a whole lot of discussion at the meeting.

4 Looking at the list, when I saw the list,  
5 O'Neil's name was on there. And it wasn't on  
6 the previous list. Because I had always  
7 compared the both. We usually get one earlier,  
8 like I said. And then when it comes to meeting,  
9 I have both.

10 Being secretary-treasurer, you've got to  
11 sign off on a lot of things.

12 Q Oh, okay.

13 A And I noticed his name was on there and it  
14 wasn't on the previous list that we had verbally  
15 approved.

16 Q Uh-huh (affirmative response).

17 A So we had --

18 Q What was the time span between the two lists,  
19 the first list and the --

20 A The first list, well, actually was before  
21 Christmas.

22 Q Okay.

23 A Because like I said, they wanted to give them  
24 their bonuses right after Christmas.

25 Q Okay.

1 A So that may have been a month.

2 Q Okay.

3 A Or thereabouts. And when it did -- I had that  
4 paperwork and we were looking at it.

5 Well, we happened to have a meeting the day  
6 before. So I, you know, well, I wasn't the only  
7 one. There's a number of us that questioned it.  
8 Why is this on there? And my question, main  
9 question was, when was this done. If it was --  
10 if he had already received it. If so, was it  
11 before he had resigned from the casino.

12 He said, no. It wasn't before. And there  
13 was a check that had been issued at the same  
14 time as everyone. I said, but we didn't approve  
15 that. That was not approved by us.

16 Q Uh-huh (affirmative response).

17 A It just happened to be on there. And he said, I  
18 know. He said --

19 Q And this is O'Neil?

20 A Right. O'Neil was saying that. He said, and  
21 the check was issued. And he said, I don't feel  
22 comfortable with this. I said, well, rightly  
23 so. Because this is not right. In my mind  
24 that's not a legal move. Because we had a list  
25 we approved. And that now this list comes with

1 an extra name on it.

2 It doesn't matter who it is. If it's  
3 somebody that's resigned, then, you know --

4 Q Right.

5 A -- that has to -- that should not pass. So I  
6 said, we can't approve this. This is, you know,  
7 not like this. This can't go to council because  
8 this is not the original list we initially  
9 approved.

10 So, and he said, I agree with that. And he  
11 gave the check back or whatever he had to do --

12 Q He gave it to you?

13 A No. He didn't give it to me. I assume --

14 Q Or it's hearsay that he -- you --

15 A Right.

16 Q Okay. Now did he tell you he gave it back? Or  
17 what -- how did you know? How do you know?

18 A Yeah. He said that. He said he gave it back.

19 Q Oh, gave the check back?

20 A Right. Because he didn't -- he also did not  
21 feel like that was the right thing to do.  
22 Because if -- if we have to give a bonus to  
23 people who quit, then we would be calling people  
24 left and right.

25 MR. SAVOY:

1                   That wouldn't make much sense.

2     A     Right.

3     BY MR. WASHINGTON:

4     Q     You're right that wouldn't make much sense.

5     A     No. That wouldn't make any sense at all. So  
6           when it went to council, that name was -- it was  
7           the original list that we started with. His  
8           name was no longer on it.

9                   And we approved the original verbal  
10           agreement list. But that's what was approved at  
11           the council meeting.

12    Q     Do you have any emails or any minutes? Would  
13           that be or is that the pre -- I know y'all have  
14           informal meetings and different things.

15    A     Right, right.

16    Q     I do understand. Is that -- do you have any  
17           email correspondence or anything for that? Or  
18           that's just --

19    A     Not for that --

20    Q     It's just, okay --

21    A     -- that was just a verbal discussion.

22    Q     Just verbal discussion?

23    A     Yeah.

24    Q     You and -- between you and the chairman, O'Neil  
25           Darden?

1 A Uh-huh (affirmative response).

2 Q Okay. Was it others -- any other members of --  
3 or this is a panel of people? Or --

4 A Right. It was the -- we were having a meeting.  
5 I don't even remember what it was about and they  
6 came up in discussion.

7 Q Okay.

8 A Because we all had had our packets. So we were  
9 kind of going through and we were looking, you  
10 know. Sometimes there's little issues within  
11 the packet is like, okay, well what about this,  
12 or, you know. Just to make sure that everything  
13 that's in our packet and on our list is exactly  
14 what we talked about when it goes to council.

15 Q Did he ever say or did you guys ever inquire to  
16 find out how his name got on the list? I mean,  
17 did he --

18 A No. I didn't. It was just --

19 Q But who brought it? Was it O'Neil who brought  
20 the -- brought the -- was it a packet or just a  
21 --

22 A Right. We get a packet for our council meeting.

23 Q Okay.

24 A And we each get the same packet. And going  
25 through that list and when we looked, you know,

1 looking through it, we all -- actually we all  
2 noticed that there was a name on there that  
3 wasn't supposed to be.

4 Q Do y'all just check each name? Because that's a  
5 long list.

6 A It is.

7 Q So you check --

8 A Yeah. You're thorough. You have to be.

9 Q I appreciate that. I appreciate that.

10 A Everything that -- and a lot of people -- some  
11 of the past councils just went by whatever the  
12 chairman said. We don't do that. I've never  
13 done been that way. If I'm going to put my  
14 name on something, it had better be right. It  
15 had better be something -- because we do a lot  
16 of email approvals.

17 Q Right.

18 A We do a lot of verbal approvals. Because every  
19 two weeks is council meetings. Some things  
20 can't wait.

21 When you're apply for the grants --

22 Q Right absolutely.

23 A -- some of those things have deadlines.

24 Q Extra circumstances, right. I under --

25 A Right. But we take -- I take time and read

1 absolutely everything. And even if you're --  
2 like you said, that seems like a long -- it's  
3 not really, it was three pages. That's nothing  
4 to read.

5 Q Right.

6 A You know, not for us anyhow when you're used to  
7 reading lots and lots of stuff.

8 Q Did you suspect that his name would have been on  
9 it and that's why you paid more attention?

10 A No.

11 Q I'm just -- you didn't -- you just had by  
12 chance?

13 A Right.

14 Q Okay. Recognized the name?

15 A Well, you -- you know, we pretty much know who  
16 has been resigned, or quit, or whatever, you  
17 know. Familiar with most of the names.

18 And when you see one on there that you know  
19 they're no longer working here. It makes a  
20 difference. Because the most recent people,  
21 you're -- we're always made aware of who's been  
22 let go or who's resigned.

23 Q Oh, okay. Got to -- yeah. Go through you guys?

24 A Yeah. Yeah. So those names are usually  
25 familiar when we're looking at any list. But,

1           yeah, we're very thorough. I am. I'm very  
2           thorough. I read everything.

3       Q     I appreciate it.

4       A     Definitely.

5       Q     We need more people like that. Because we have  
6           interviewed some others and I don't know. I had  
7           questions. But I appreciate the, you know, you  
8           being thorough.

9       A     Oh, yes, yes. I'm not going to put my name on  
10          something that I don't know what I'm signing.

11      Q     Okay.

12      A     Even if it's a grant, you know. I read through  
13          them.

14      Q     Well, you got federal moneys and different  
15          things.

16      A     Right, right.

17      Q     So it's a big responsibility.

18      A     Right. And we are -- and thankfully with feds,  
19          we've been -- our reputation has been  
20          outstanding. Because we do -- the majority of  
21          us do take the time. I can't speak for anybody  
22          else, but I have always been thorough with  
23          whatever we get.

24      Q     Okay. So basically after you recognized the  
25          name. What happened? What did you guys do?

1 A That was in an informal meeting.

2 Q Okay.

3 A And I had discussion with O'Neil. And he said  
4 he didn't feel right about that. I said, well -  
5 -

6 Q Did he say why?

7 A Well, he -- he knew he had resigned. So there's  
8 no way. And that was the thing. If your wife  
9 resigned and you resigned at the same time, they  
10 had to to be on council.

11 Q Right.

12 A I said it wouldn't be right to give her a check  
13 either. Anyone that quit, it wouldn't be right  
14 to give --

15 Q You're right. I forgot. You reminded me but  
16 you're absolutely right. I didn't think about  
17 his wife.

18 A Right. They both resigned. So I didn't --

19 Q Right. They both resigned.

20 A You know, now can you get a bonus. And I  
21 understand he's done a lot of good work. He's  
22 done a lot of good things. But that's the --  
23 that's the bullet you bite, basically, if you're  
24 going to go into a political office, you have to  
25 shed all of those things, you know.

1           There's some things that, yes, you did a  
2           great job, but you can't be -- receive a benefit  
3           for it when you've accepted something else like  
4           political office. You have to let all of that  
5           go. It's -- it's costly.

6       Q     Yeah. Now that's the just the -- I guess I'm  
7           speaking hypothetically.

8       A     Uh-huh (affirmative response).

9       Q     If someone -- if he -- if he would have gone  
10           through with it, taken it, that money. Is that  
11           a violation of some sort of the ordinance or --  
12           I mean, I know y'all got ordinances and --

13      A     Right, right.

14      Q     -- and different --

15      A     Right. That would be from the commission side.

16      Q     Oh, okay.

17      A     It wouldn't necessarily from our side. It would  
18           be on his side.

19      Q     Okay. Okay. And so basically O'Neil is aware  
20           that -- that it's not right to receive a bonus.  
21           And so, therefore, you guys continue with the  
22           meeting? Or is that -- basically that  
23           discussion -- that part of the discussion is  
24           finished with as far as you guys are concerned?  
25           I mean, he said he doesn't want it?

1 A Well, we agreed that we were going to give it to  
2 him.

3 Q Okay.

4 A Whether he wanted it or not, he wasn't going to  
5 get it. That was a -- that was a consensus of  
6 the board.

7 Q Oh, okay. Consensus. But you guys didn't  
8 formally vote?

9 A No. Not then. But at the council meeting we  
10 did. Because his name was removed from that  
11 list.

12 Q Okay. So that resolution --

13 A So it was formally done.

14 Q Okay. They removed the -- requested that his  
15 name be removed?

16 A Right. Well, it was -- like I said, it wasn't  
17 on that first list. But the second list when it  
18 was coming to council --

19 Q For approval? For final approval.

20 A For final approval, right. So it was removed  
21 before that meeting. So actually it was the  
22 first list that we originally approved that went  
23 to council.

24 Q Okay. Is that normal? Or you guys -- because I  
25 know you said there's a first list that you guys

1 approved. And I understand you said it's  
2 because the employees wanted to get paid. Or  
3 someone wanted the employees to receive the --

4 A Right. We had a deadline to and get that out.

5 Q Okay. So why did it come back? Is that -- why  
6 would you need -- why would there be a new  
7 person on the list?

8 A Because it was -- because it had to formally go  
9 before council in a resolution.

10 Q Oh, so it did not do it prior to that?

11 A Right, right.

12 Q I gotcha. Okay. Okay. Because that -- that  
13 was one of the things that came up that said the  
14 bonuses got approved and paid out prior to you  
15 guys --

16 A Right.

17 Q -- the resolution.

18 A Right. Because it was an informal verbal  
19 approval.

20 Q Okay. Is what authorized --

21 A Right.

22 Q The release of those funds.

23 A Right.

24 Q Okay. I was under the impression that you guys  
25 were not aware that that first list and funds

1           were distributed is what I'm saying.

2    A       No, no, no. We had verbally approved that.

3    Q       Okay. I gotcha.

4    A       So it could happen. We didn't want people to go  
5           through Christmas without a bonus.

6    Q       Okay. That's good. And that's, you know, I  
7           guess you guys do all kind of -- you don't have  
8           to formally come together in order to approve  
9           something?

10   A       Right. We can do things by email or by a verbal  
11          approval.

12   Q       Okay.

13   A       But when that happens, the very next council  
14          meeting, it's on the list at the council  
15          meeting.

16   Q       Oh, okay. Yeah. For a resolution?

17   A       Right.

18   Q       Okay. I got you.

19   A       And that's exactly what happened in this case.

20   Q       Okay. So as of now, today, you're under the  
21          impression that O'Neil's situation was rectified  
22          and he no longer was supposed to receive a  
23          bonus; am I right?

24   A       Right. As though it never happened. Because it  
25          wasn't supposed to.

1 Q Okay.

2 MR. SAVOY:

3 And he has the consensus of the  
4 council, all --

5 A Oh, I don't know.

6 MR. SAVOY:

7 But for yourself, yes?

8 A Right, yes, yes.

9 MR. SAVOY:

10 Okay.

11 BY MR. WASHINGTON:

12 Q Okay. It makes sense on that end. Preston, you  
13 got anything to ask?

14 MR. SAVOY:

15 How does it -- the packet originate? I  
16 mean, it comes from --

17 A Our secretary. But that -- the secretary  
18 composes the packet.

19 BY MR. WASHINGTON:

20 Q What's her name?

21 A Jill.

22 Q Jill Louviere.

23 A Louviere, yeah. Different departments when we  
24 have things to pass. Like we have a council  
25 meeting tomorrow night. She's already -- the

1 deadline to present -- put things on the council  
2 meeting to turn your information in is Monday  
3 from different departments.

4 Whether it be casino, police department,  
5 health department, whatever. We have a grants  
6 writing department. They have to have their  
7 information in to go to council on Monday.

8 She compiles that and makes an agenda from  
9 that list. She compiles that, has the agenda.  
10 And everything they want to present including if  
11 it's a grant, the grant is this thick. She give  
12 it to us.

13 Generally she tries to get it together --  
14 all together the day before council so she can  
15 give us our council packet. So we have time to  
16 read through and make sure everything that's on  
17 the agenda in the packet agrees. That both of  
18 those are agreeable.

19 And that if there is a grant or from the  
20 police department something they are requesting,  
21 in the budget we have time to read through it.  
22 If we have questions, we can contact that  
23 individual department to find out why you need  
24 this. What's going on with this, whatever. So  
25 we have time to look through it before it goes

1 to council.

2 Because if you have to sit and read through  
3 all that during the council meeting, it takes us  
4 all day. But that's how it's -- that's ow it's  
5 done.

6 MR. SAVOY:

7 So in this situation with the checks.  
8 The checks are -- the list of employees that  
9 are eligible for a bonus check is generated  
10 by the casino.

11 A Right. Through the finance.

12 MR. SAVOY:

13 Right. And that's created by -- that  
14 list is generated by the G.M., I guess and  
15 his staff? Or just the G.M., he decides on  
16 that?

17 A Well, it's a -- they have a group. It would  
18 have been him and his finance people and  
19 probably human resources.

20 MR. SAVOY:

21 All right. Then they submit that list  
22 to Jill to put on the agenda?

23 A Right. Right.

24 MR. SAVOY:

25 Okay. At any time does -- can that

1 list be adjusted, or changed, or revised  
2 when it gets to Jill's office? Like maybe  
3 O'Neil or the chairman looks at it. Does  
4 anybody else look at it? Or she just take  
5 that list and add it to the agenda?

6 A She takes the --

7 MR. SAVOY:

8 There's no changing -- has no authority  
9 to change anything?

10 A No.

11 MR. SAVOY:

12 Or add anybody?

13 A No.

14 MR. SAVOY:

15 So if the G.M. would submit his list  
16 and he say, well, I'm going to call -- hey,  
17 Jill, I look I forgot to add this name, can  
18 you add that name?

19 A He would have to --

20 MR. SAVOY:

21 That would have to go back to him?

22 A It would go back to him. And he would probably  
23 email her another list and she would print it  
24 out.

25 MR. SAVOY:

1                   And then would be added to the agenda  
2                   for y'all to review?

3     A     Right.

4     BY MR. WASHINGTON:

5     Q     Okay.  What happens once you approve the list?  
6            Say, we approve the list and what happens?  Do  
7            y'all take the list and bring it back to Jill?  
8            Or how does that -- where does the list --  
9            because you -- you're saying you don't want  
10           O'Neil's name on it.  And what do you do to  
11           prevent it from somebody adding it down on this  
12           side?

13    A     Well, after that it's done.  It's written in  
14           stone after that.  And it's on her computer.

15    Q     Oh, okay.

16    A     And from there -- because she keeps everything  
17           on her computer.

18    Q     This is Jill?

19    A     Jill.  Uh-huh (affirmative response).

20    Q     Okay.

21    A     And from there it's the documents are usually  
22           scanned and saved for future.

23                   MR. SAVOY:

24                   Even a rejection?

25    A     Yeah.  Anything that went to council.  And I'm

1 not understanding about the rejection.

2 MR. SAVOY:

3 I'm thinking y'all had that informal  
4 meeting the day before.

5 A Right.

6 MR. SAVOY:

7 When y'all looked at the packet.

8 A Right.

9 MR. SAVOY:

10 And his name was on the list. Y'all  
11 came to a consensus that, no, we're not  
12 going to pass this.

13 A Right.

14 MR. SAVOY:

15 If you send this to council, it's not  
16 going to pass. So y'all said, no. So they  
17 submit the original list that y'all verbally  
18 approved --

19 A Right, right.

20 MR. SAVOY:

21 -- to council. But that list with his  
22 name on it, that one just goes away, that's  
23 never submitted?

24 A Right.

25 MR. SAVOY:

1                   So that wouldn't be in your packet?

2     A     No.

3                   MR. SAVOY:

4                   But it should be on Jill's computer if  
5                   she saved it, because she was in -- her  
6                   intention was to add it to the packet prior  
7                   to the discussion.

8     A     Right unless she just went in and deleted the  
9                   name or went back to her original list. I'm not  
10                  sure how that would happen on her --

11                  MR. SAVOY:

12                  Makes sense.

13     BY MR. WASHINGTON:

14     Q     Why would -- okay, why -- why wasn't -- I mean,  
15                  you may know this and have the answer, or not.  
16                  But why was O'Neil's name not on the original  
17                  list, but on the subsequent list?

18     A     That I couldn't answer.

19     Q     I guess Jill would have the answer to that  
20                  question. But I wish I was privy to this  
21                  information prior. But I would just like to  
22                  know how his name ended up on the list.

23     A     Uh-huh (affirmative response).

24                  MR. SAVOY:

25                  That's what I'm saying. Because when

1           y'all received the verbal list, y'all  
2           received the list and y'all reviewed the  
3           list.

4    A     Right, right.

5           MR. SAVOY:

6                     Prior to the checks being disbursed  
7           before Christmas.

8    A     Right.

9           MR. SAVOY:

10                    His name was not on -- y'all gave  
11           verbal approval?

12   BY MR. WASHINGTON:

13   Q     And not on the list.

14   A     Right. And I --

15           MR. SAVOY:

16                    So the checks were cut and distributed.

17   A     Right.

18           MR. SAVOY:

19                    And then January 6th, the night before  
20           y'all's first meeting, his name shows up on  
21           a list. Which y'all have a discussion  
22           saying, no, he's not authorized according to  
23           ordinance, he shouldn't be receiving it?

24   A     Uh-huh (affirmative response).

25           MR. SAVOY:

1                   You know, because like you said, his  
2                   wife did receive and she's a former  
3                   employee.

4    A     Right.

5                   MR. SAVOY:

6                   She could be prorated a check, too.  
7                   Because she worked also.

8    A     Right.

9    Q     And a whole lot of other people I think --

10                  MR. SAVOY:

11                  There's quite a few people that worked  
12                  that year, within that fiscal year, that  
13                  separated.

14    A     Right. Right.

15    BY MR. WASHINGTON:

16    Q     I can't think of the compliance -- Ms. -- she's  
17                  tribal but she works in compliance. They let  
18                  her go, Ms. -- I can't even think of her name.  
19                  Lucille.

20    A     Oh, yes.

21    Q     See Lucille worked a period of time, did she get  
22                  her check? Her bonus check? You know, because  
23                  I know some people say, well, tribal people we  
24                  have special concessions and I guess standards  
25                  for tribal?

1 A But not above the law.

2 Q Right. And that's --

3 A We're sticklers for the law.

4 Q Okay.

5 A At least I am.

6 Q Okay. On that list and kind of -- we've  
7 digressed, but this was another issue that we --  
8 we had. Do you remember the -- Anthony  
9 Patrone's increase in bonus?

10 A Uh-huh (affirmative response).

11 Q Was that a part of that discussion?

12 A Not the first list. Because that's separate.  
13 Since he is the general manager, that's a whole  
14 separate ball of wax. That's not on that first  
15 list.

16 Q So I assume you were in favor of the twenty-five  
17 percent increase for Anthony Patrone?

18 A Uh-huh (affirmative response). Well, felt he  
19 deserved that because of all the changes made,  
20 for the progress made. He really worked hard.  
21 And with his contract being the way it was, and  
22 that's what, like I said, we had that first  
23 meeting with the first list.

24 But his -- him being a contract, that wasn't  
25 included on that first list because that's a

1 whole separate entity.

2 Q Uh-huh (affirmative response).

3 A And we had to have more discussion on that,  
4 actually. Which is why we didn't put it on that  
5 first list.

6 And during the discussion, we knew this  
7 coming year we're probably not going to make  
8 that much because of the economy being down and  
9 lots of other things.

10 Plus it's time to start looking at his  
11 contract again for renewal. But we felt like he  
12 really deserved it this year. Because he really  
13 worked hard and did a whole lot of changes and a  
14 whole lot of good came out of it.

15 Q Despite the fact that he didn't meet the  
16 criteria set in the contract as far as that  
17 either?

18 A Uh-huh (affirmative response).

19 Q Yeah. Because I'm understanding he only met the  
20 seventy-five percent.

21 A Well, he --

22 Q Of the --

23 A No. He made a little more than that. He missed  
24 it by not that much. It was more like ten  
25 percent.

1 Q Okay. Okay. Missed the hundred percent  
2 criteria?

3 A Uh-huh (affirmative response).

4 Q Okay. But that's a decision -- who brought the  
5 resolution or proposal? Did Anthony come forth  
6 to present a argument or justification for the  
7 increase? Or was that brought by someone else?

8 A No. Well, when it was time to -- because during  
9 our discussion of doing bonuses for everybody  
10 else, after that discussion, we said, well, we  
11 need to look at Anthony's and review that.  
12 Because it wasn't just him.

13 It was also our grocery store, Raintree  
14 Market. We had those discussions on those  
15 entities that are contract people. And the  
16 Trading Post is another. We had those three  
17 peoples within that same discussion, basically.

18 Because we give them bonuses just like we  
19 would him.

20 Q Oh, okay.

21 A So it -- you know, we had to decide, well, the  
22 business is doing good. Can we give a little  
23 more than we usually give. And that's usually a  
24 discussion we have.

25 Q Okay. And you guys based that on just the new

1 restaurants, the renovations, and the --

2 A Well, the -- no, not necessarily. Because see,  
3 that wasn't involved in this past year, really.  
4 It was the reorganization, the downsizing, and  
5 making it more productive.

6 Q Oh, okay.

7 A Just a lot of different things. As far as the -  
8 - not from the ground floor side, but from the  
9 administrative side.

10 Q Oh, okay.

11 A Reorganizing and making it a more profitable  
12 business within the same consensus that's going  
13 on in the casino itself. And not hurting the  
14 business. But helping from this perspective.

15 Q Oh, okay. Okay. And so O'Neil, as far as you  
16 know, didn't have anything to do with making a  
17 proposal to you guys for the increase of  
18 Anthony's --

19 A Oh, no. No. Actually, I think he was surprised  
20 to see his name on the list. And he was -- he  
21 asked the -- asked us, you know, what -- what  
22 was our opinion. And we were of the opinion --  
23 or at least I was of the opinion, well, if  
24 you've been let go, you know, I don't see a need  
25 for a bonus.

1           Not that he was let go. He had to resign  
2           because of his position. He and his wife. And  
3           if you resign from a job, you know, that's --

4       Q     I'm sure that something O'Neil -- I mean, he's  
5           been here --

6       A     Oh, yeah.

7       Q     I've been here over ten years, ten and a half  
8           years, and I been knowing O'Neil --

9       A     He's been here a long time.

10      Q     Yeah. So I would imagine he would be familiar  
11           with the -- the limitations and the obligation  
12           that comes with being a tribal council member.

13      A     Right, right.

14      Q     Especially chairman. I mean --

15      A     Yes.

16                   MR. SAVOY:

17                   When you make an attempt to run for  
18                   that office, I would imagine you would do  
19                   some research and have some background on  
20                   what you're getting into.

21      A     Right.

22                   MR. SAVOY:

23                   You don't just run for office.

24      A     Right. No. And it's a -- actually it's a  
25           costly position. Because you have to give up

1 not only the job you have, especially if you're  
2 working here. Now if you're working anywhere  
3 else, that's different. But working here, he  
4 knew he had to give up the job he had. He knew  
5 his wife had to give up her job. Because your  
6 spouse can't work here.

7 And the dedication of time. That's a 24/7  
8 job for a lot less money. So you have to -- you  
9 have to understand that. And he went in knowing  
10 that, definitely.

11 BY MR. WASHINGTON:

12 Q Well, I think he makes a little bit more than  
13 you guys; right?

14 A Yeah. Well, his -- his is a full-time job.

15 Q Right, right.

16 A And you're going into a full-time job. Ours, we  
17 are paid a stipend. So that's totally  
18 different.

19 Q So is it still thirty thousand?

20 A Yeah. Uh-huh (affirmative response).

21 Q Okay. I just curious --

22 A That's totally different from, you know, from  
23 his position.

24 Q Yeah. Okay. Do you work else where? Or is it  
25 -- are you retired?

1 A Retired. But I have a part-time job.

2 Q Okay.

3 A I do natural medicine.

4 Q Okay.

5 A I have my own -- I work out of my home.

6 Q Oh, okay. Oh, yeah. You're the one. I did  
7 hear about -- I did hear that come to think of  
8 it.

9 A Yeah.

10 Q So you're the one that does -- somebody told me  
11 about someone on the reservation -- I like  
12 natural medicine also.

13 A Good, good.

14 Q Yeah. That's good.

15 A But I do that part-time out of my house. And  
16 actually most of my clients are elderly. So I  
17 don't charge them anything.

18 Q Okay. Well, that's good. Anything else,  
19 Preston?

20 MR. SAVOY:

21 Do you still have a copy of the  
22 original verbal list before Christmas when  
23 y'all approved verbally? That packet?

24 A I should on my desk.

25 MR. SAVOY:

1 All right.

2 Q Okay. Because we're going to do a little --  
3 we're going to submit a subpoena to request some  
4 of that information.

5 A Uh-huh (affirmative response).

6 Q And some of the minutes from some other email  
7 correspondence. So that will be coming. I'm  
8 going to probably work on that today. So if you  
9 can just -- y'all probably don't delete any of  
10 that information anyway.

11 A No,

12 Q So I imagine probably --

13 A No. Not at all.

14 Q Okay. Anything else you'd like to share, Ms.  
15 Junca?

16 A My only question is, since it's a commission  
17 thing, why weren't the commissioners, I mean,  
18 they turned it over to you guys?

19 Q Yeah. They turned -- they have the -- that's  
20 what -- it goes to the -- a complaint generally  
21 or something.

22 A Right. Uh-huh (affirmative response).

23 Q I don't know. From my understanding, something  
24 came off of the reservation on that side. And  
25 it came -- it goes directly to the commission.

1 And they can refer a case to us if they feel  
2 that there's some criminal intent or whatever.  
3 And sometimes -- and we just -- we investigate  
4 as if it's a crime.

5 A Sure. Oh, yeah, yeah.

6 Q And we make a determination at the end, you  
7 know, whether or not, you know, somebody will be  
8 charged with something. There was a crime that  
9 was broken. And whether or not someone will be  
10 charged. We're independent from the commission.

11 A Right.

12 Q We don't work for them.

13 A I know -- yeah, I know that.

14 Q Yeah. Well, we have to make clarification.  
15 Because I had a tribal member or councilman,  
16 council person, to tell me or to insinuate that  
17 she thought, you know, we were somehow  
18 influenced. But I said, no, no.

19 A No. You're --

20 Q We work for the Louisiana State Police.

21 A Right.

22 Q And we work in conjunction with them in terms of  
23 the compact agreement that we have.

24 A Right.

25 Q But, no. Nobody influences our decision. And

1 if we don't feel somebody committed a crime, we  
2 don't charge them. If we do, we charge them,  
3 basically.

4 A Uh-huh (affirmative response). Right. No. I  
5 was just wondering why the commission didn't  
6 call us in and ask us these questions.

7 Q Well, probably because it's a state police  
8 investigation.

9 MR. SAVOY:

10 It's a criminal right now, not  
11 administrative. That's how they probably  
12 look at it.

13 BY MR. WASHINGTON:

14 Q Yeah. It's criminal. Yeah. Administrative,  
15 but they're not going to call you -- it's a  
16 criminal investigation so they cannot influence  
17 it until we can -- now, at some point, they  
18 will.

19 A Right.

20 Q But it's toward the end. Whenever it's over,  
21 basically.

22 A Right, right.

23 Q And then they'll probably work on the  
24 administrative, I guess, issues that might need  
25 to be addressed.

1                   But I appreciate you taking the time out and  
2                   coming out.

3     A            Sure.

4     Q            It was pleasure meeting you.

5     A            Sure. Nice meeting you guys.

6     Q            And interacting. We see y'all on the pictures.

7     A            Right.

8     Q            There's a lot of -- it's mystique. You know a  
9                   lot of mystique and mystery and probably here,  
10                  too. You know, cause they --

11    A            Right, right.

12    Q            You know, because we never see each other. But  
13                  let me end the interview.

14                         MR. SAVOY:

15                                 Sequester.

16    BY MR. WASHINGTON:

17    Q            Yeah. Yeah. Let me tell you. This is a  
18                  criminal investigation. So when you leave here,  
19                  we ask that you do not go out and talk to  
20                  anybody about what we discuss here. Because we  
21                  may have some -- we do have more people to  
22                  interview and we don't want to do anything that  
23                  may jeopardize the integrity of the  
24                  investigation.

25    A            Sure, sure.

1 MR. SAVOY:

2 And we ask the same of everybody that  
3 comes through here. So no one should, you  
4 know, on the council --

5 BY MR. WASHINGTON:

6 Q Should be asking you and --

7 MR. SAVOY:

8 -- be asking any questions about  
9 anything about this discussion.

10 A Oh, I understand.

11 MR. SAVOY:

12 Email, text, by any means.

13 A Right.

14 BY MR. WASHINGTON:

15 Q Yeah. I'm sure at some point when it's over you  
16 guys -- you know, you'll have a lot to --

17 MR. SAVOY:

18 You'll have plenty of time afterward to  
19 discuss it. I'm sure there's going to end  
20 up being a meeting.

21 BY MR. WASHINGTON:

22 Q Okay. Well, we're going to end this interview  
23 with Ms. Jackie Junca at -- well, it's January  
24 26 at 8:35 a.m.
