Question. Do you think you should get the bonus from CBCH?

Mon, Dec 21, 5:47 PM

So.....B&G did put together a meat thing for us.

I heard I just got a call from Countice

Oh. Niecy Martin was also looking for your number. I sent it to her and asked her if I could

right near canal street.

I've stayed there before it is nice

Hey. I think your best move politically is to refuse the bonus. This would haunt you forever and could cost you votes. I would support you getting it if you want to. But I think you better off refusing it and let it be your idea that after thinking it over you don't want to accept it. Just my thoughts.

Thanks man! I agree!
